Mr. James T. Walden, President  
Worldwide Assurance for Employees  
of Public Agencies, Incorporated  
1730 Massachusetts Avenue, N. W.  
Washington 6, D. C.

Dear Mr. Walden:

Thank you for your letter of 28 November to Mr. McCone  
inviting him to serve on the Board of Directors of Worldwide  
Assurance for Employees of Public Agencies, Incorporated.

Mr. McCone has asked me to convey to you his appreciation  
for your invitation and to express his regret that  
other commitments would prevent him from giving sufficient  
time and attention to this office. Noting your invitation  
to him to suggest an Agency official for membership, he has  
suggested Bennett D. Echoles, our Director of Personnel, who  
would be qualified by virtue of his position and his personal  
interest.

We appreciate your thoughtfulness in proposing representation  
from this Agency on the Board of Directors of WAEP.

Sincerely,

Signed C. P. CABEL
